

Children's speech + occupational therapy

Schedule of Fees – 1 September 2016

Initial Assessment Session	
Written reports are not included in the cost of the initial assessment. Your therapist will talk to you about whether a written report is recommended for your child. See further below for report fees.	
Initial Assessment – 1 hour	\$227
Initial Assessment – 45 minutes	\$185
Extended Initial Assessment – 1.5 hours	\$330
Therapy Sessions	
Includes provision of regular homework activities and limited liaison with teachers/other relevant people in your child's life. Time for discussion with parents/carers is part of our service and occurs within the session time.	
Standard Session (40 – 45 minutes) Suitable for most children.	\$134
Long Session (50 – 60 minutes) For children who have more goals to work on, or for older children.	\$165
Short Session (30 minutes) For children who have only one or two goals to work on.	\$103
Additional Services	
Comprehensive Report Includes all relevant background information, test scores, information about how assessment findings relate to your child's everyday activities, comprehensive recommendations and/or strategies for home/school use.	\$165
Written Correspondence Letters or other written correspondence requested regarding your child. E.g. letters to paediatricians, other health professionals or teachers.	POA
Attendance at Meetings Attendance at meetings, phone liaison with teachers/health professionals exceeding 15 minutes	Billed at therapy session fees
Travel Fees	
Travel fees apply to clients residing further than 30km from Brisbane CBD. We will provide you with an individualised quote.
